## About Me

I'm a passionate developer and tech enthusiast eager to apply my skills in software development and problem-solving through hands-on industry experience. With a strong foundation in web development, custom software solutions, and hardware troubleshooting, I'm excited to contribute to challenging projects while expanding my technical knowledge. I'm committed to continuous learning and ready to bring my enthusiasm for innovation and technology to a professional environment.

## Skills

- Computer Troubleshooting
- Web Development
- Programming
- Technical Support
- Microsoft Office Suite
- Problem Solving
